

CONTINUING EDUCATION PLAN

Whether it is sharpening a skill or scholarly pursuit for professional development – you can exercise your mind with the help of the Church's Continuing Education Plan.

Since it began in 1971, the Continuing Education Plan (CEP) has given hundreds of clergy and lay employees the opportunity to develop their skills and enrich their working lives.

Who may participate?

All paid clergy automatically have a CEP account opened on their behalf on their first day of employment with a participating diocese. Lay employees of the diocese and parishes may have an account opened in the plan, with their employer's approval, on the first day of any month.

A healthy inquiring mind contributes to your personal well-being and, by extension, to the well-being of your parish and the Church as a whole.
