

GRANTS AVAILABLE TO PARISHES

SUPPORT GRANTS – Support Grants may be provided to parishes who can demonstrate a need for assistance. These grants are funded from the Diocesan Operating Budget.

To apply for a Support Grant, this must be done through application on the appropriate two part form ([Page 1](#) and [Page 2](#)). This should be submitted for consideration once a year after a parish has received its Parish Fair Share assessment statement, to the Synod Office, no later than November 1st.
