Faith Education Contacts

Congregations approach faith education for children, youth and adults in a variety of ways (e.g. Sunday School programmes; youth groups; special services; Vacation Bible School; life in the Eucharist programmes and confirmation preparation; music groups; clergy-led small groups; lay-led small groups; parenting groups; evening or weekend workshops and retreats; Alpha; Lenten series, etc.).

Please identify (if applicable) a faith education contact for each age group. If the contact is on staff or receives an honorarium for their faith education work, please put a tick in the last column.
