

What is STEWARDSHIP

The big picture is theological and spiritual in nature. Giving money is one way of expressing our spiritual depth. But we know that Stewardship is bigger than money. In fact, giving money alone, without a true sense of Stewardship behind it, isn't the point at all. What is Stewardship then? Stewardship is about giving ourselves to the purposes of God – our time, our talent our treasure. Stewardship is the use of your time, your gifts of intelligence towards the goal of following Christ's example of goodness, compassion and justice for all people.
